NI-DAQmx DVD: All NI DAQ devices include a DVD with the necessary drivers you use the device. AA have installed LabVIEW and m AA As Refer to Controlling Instruments for information about controlling other types of instruments. If you are upgrading your system, NI recommends that you backups of your applications i your DVD NI Device Drivers: If you have chosen to install the device drivers by the LabVIEW Platform DVD, you will prompted to insert the Device Drivers DVD to continue. Right-click a DAQmx global channel control and select New Channel (DAQ Assistant) from the shortcut menu. Launch Measurement & Automation Explorer and select Data Neighborhood or Scales from the Configuration tree. You need to install the NI-DAQmx driver software before installing any new NI hardware devices so that Windows can detect. Use the DAQ Assistant to graphically configure channels or common measurement tasks. Parcourez un vaste AA e ventail de ressources dAA aide, dont des exemples et des informations de dAAnage Hier kÄnnen Sie verschiedene Supportinhalte durchsuchen, darunter Beispiele und Hinweise zur Problembehandlung Right-click a DAQmx task name control and select New Task (DAQ Assistant) from the shortcut menu. By registering your NI products, you receive : ttj i Important product and driver issues Calibration Reminders & Automation Explorer (MAX) to help you set up metering devices. DAQ Assistant Express VI does not appear in the FunŠÄes palette unless you do not have NI-DAQmx installed. If you about installing LabVIEWA, refer to the LabVIEW Installation Guide or the LabVIEW Installation If you dont have the original sent with the purchase of LabVIEW, you can You cannot access the DAQ Assistant in the following ways: Place DAQ Assistant Express VI on the block diagram. Right-click a DAQmx scale name control and select New Scale (DAQ Assistant) from the shortcut menu. AA you restart your computer or add new hardware to your system, you see the NI Product Registration Wizard on the screen. Wizard Wizard.
